

SSi Consulting Makes Accounting Today's 2011 VAR 100 List

Mclean, VA (August 22, 2011) – SSi Consulting (www.ssiconsulting.com), a leading Microsoft Dynamics Reseller for the mid-Atlantic, made Accounting Today's VAR 100. SSi Consulting is a Microsoft ERP reseller focused on Government Contractors and Not for Profits.

Accounting Today's selection of the VAR Top 100 list is based on the amount of revenue generated by each reseller during the previous year. More than one thousand companies are considered for inclusion for the annual listing, the top 100 are then selected for publication. The names of all 100 organizations are published in the August 2011 issue of Accounting Today and can be accessed at www.accountingtoday.com

"The Accounting Today VAR 100 list is comprised of top accounting and ERP software resellers throughout the country, ranked by revenue," says Seth Fineberg, Technology Editor of Accounting Today. "This select group represents those in the world of accounting software resellers that are truly ahead of the pack and we are pleased to honor them in this special report."

According to Bill Aiton, President of SSi Consulting, "We are honored to be included in Accounting Today's Top 100 Value Added Reseller list. This demonstrates SSi Consulting's growth and experience offering cloud and on-premise accounting options for Microsoft Dynamics GP and SL. We have an excellent team of very skilled professionals at SSi that help our mid-Atlantic customers grow their businesses."
